Grand Opening Special!

Relaxing Piano Program for Adults

Discover your hidden talent, and see your happiness skyrocket once you play your first song on day 1. Contrary to what you might think, your fingers and mind aren't any slower than a child's! With our program, you will achieve your dreams, develop your abilities, relieve stress, and feel joy and relaxation. The class will feel like meditation and soul expression through your fingers, and you will learn concepts in piano, music, and pedagogy more easily than you ever imagined. This will contain a balance of theory, sight-reading, finger fitness, repertoire, and ensemble. You will be proud of yourself, and enjoy the creative outlet and the opportunity to shine!
